**The Details Regarding Fijian Government Marriage Requirements:**

Couples to be married will need to supply certified copies of their respective birth certificates, their passports, along with single status declarations and divorce papers if applicable. A completed Marriage Application form must accompany the above documents and they must all be received by the Resort Wedding Coordinator a minimum of 4 weeks prior to the wedding date. If couples are under the age of 21 years they are required to provide a consent document signed by a parent. These guidelines are set by the Fijian Government. We would strongly suggest that all couples check their own requirements before traveling, whilst all care has been taken in compiling this information, The Fiji Hideaway Resort and Spa is not responsible for any changes or omissions to the marriage requirements as set down by the Fiji Government.
